17. (Unclassified - ABS) FOIA Called Charles Kirbow, of the Senate Select Committee on Intelligence staff, regarding the release of his name in a CIA document which is under consideration for release under an FOIA request of Georgetown University weekly, "The Hoya!" At his request, I read the document verbatim to Mr. Kirbow and he agreed to the release of his name.

18. (Unclassified - ABS) FOIA Called Carolyn Bacon, Administrative Assistant to Senator John Tower (R., Texas), regarding the release of Senator Tower's name in a CIA document dated 8 December 1975 which is under consideration for release under an FOIA request of Georgetown University weekly, "The Hoya." Ms. Bacon requested we drop off a copy of the document to their office so she could review it before making a decision on releasing Senator Tower's name. The letter is being prepared.

19. (Unclassified - RLB) LEGISLATION In the company of [REDACTED] OGC, and [REDACTED] OLC, met with Elliot Maxwell and Pat Norton, on the staff of the Senate Select Committee on Intelligence, and Bernie Raimo, on the staff of the House Permanent Select Committee on Intelligence, to discuss our concerns with the latest SSCI draft Title I of the charter legislation which we had raised in earlier discussions but which were not reflected in this latest draft. We received from Mr. Norton a copy of the latest SSCI draft of Title IV of the charter legislation (the CIA charter).

20. (Unclassified - RLB) LEGISLATION Met with John Elliff and Pat Norton, on the staff of the Senate Select Committee on Intelligence, to discuss the latest SSCI draft Title II of the charter legislation. Present from the House Permanent Select Committee on Intelligence staff were Mike O'Neil, Bill Funk and Bernie Raimo. Present from the Agency were [REDACTED] OGC, and [REDACTED] OLC.

We discussed in great detail most of the provisions in Title II and registered our strong concern that the title as presently drafted was overly complex, detailed and restrictive, and that it would pose major problems in terms of its workability.

19. [REDACTED] LIAISON Met with Mike O'Neil, House Permanent Select Committee on Intelligence staff, and discussed Committee policy regarding providing the Agency a copy of transcripts of Agency testimony before the Committee. [REDACTED] said that language which hopefully would protect these transcripts from the FOIA was now being routinely placed on the transcripts, however, the court case which would ultimately decide this question would not be decided for at least a year and in the interim, the Committee does not want to provide the Agency copies of the document.
